Past performance should not be seen as a guide to future performance. The value of an investment and the income from it can fall as well as rise as a result of market and currency fluctuations, you may not get back the amount originally invested. This factsheet should not be interpreted as financial advice. If you are unsure which investment is most suited for you, the advice of a qualified financial adviser should be sought.

Rounding may cause small differences in percentages included in this document. Allocations and holdings include look through information.
*Synthetic OCF. *The ongoing charges figure (OCF) includes all appropriate costs that may be deducted from the fund's assets, in line with current regulatory and industry guidance. The OCF includes a synthetic element relating to the costs incurred in underlying collective investment undertakings, where permitted by the Prospectus. The OCF is included in the Annual or Interim report and are calculated biannually.
